

# Knobias Initiates Research Coverage of Software International, Inc.

Wednesday December 1, 2:29 pm ET

SOMERSET, N.J., Dec. 1, 2004 (PRIMEZONE) -- Knobias.com, L.L.C. and Software International, Inc. (Other OTC:[SWII.PK](#) - [News](#)) announced today that the Knobias Research Report and an up close interview with CEO Suneel Sawant & CTO Ninad Panse would be made available for free to members of the <http://www.siliconinvestor.com> and <http://www.investorshub.com> online communities. Investor's Hub boasts nearly 1.5 million page views per day alone and has more of a smallcap focus while Silicon Investor tends to be more blue chip in flavor and is the better-known brand.

The Knobias Research report is an all-inclusive and all too rare factual look at an emerging smallcap company.

In addition to the report, Knobias' Kirk Thompson was able to ask some key questions about the company, its direction and strategies. The interview is available for free at either of the message board communities or directly from Knobias at: <http://cobrand.knobias.com/clipreport/clipreport.htm>

Knobias Issuer Services include a national press release service, issuer websites, research reports, Edgar Filing Services and CEO Interviews. ## SOFTWARE INTERNATIONAL, INC.

Software International, Inc. provides IT consulting and application development services (ADS) to Fortune 1000 companies in the financial, brokerage, manufacturing, pharmaceutical, legal and insurance industries. This full range of on site, off site and offshore services, core products in financial equity research and legal case management, with separate practices in staffing, outsourcing, resolution and advanced technology services, also serves as a hosting ground to alliances and consortium groups seeking assistance, guidance and advice in the development and deployment of IT services and solutions.

## KNOBIAS.COM, L.L.C.

Knobias is a premier financial information provider of trading and investing data covering all U.S. equities for investors and security professionals. Knobias (<http://www.knobias.com>) was founded in 1999 as the first and largest unbiased information repository for OTC market intelligence.

## Forward-Looking Statements

To the extent that this release discusses any expectations concerning future plans, financial results or performance, such statements are forward-looking within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities and Exchange Act of 1934, as amended, and are subject to substantial risks and uncertainties. Actual results could differ materially from those anticipated in the forward-looking statements as a result of a number of factors, including but not limited to, the successful closing of the proposed transaction, including the financing, and risks associated with acquisitions generally. Readers are cautioned not to place undue reliance on these forward looking statements, which speak only as of the date hereof and reflect only management's belief and expectations based upon presently available information. These statements, and other forward looking statements, are not guarantees of future performance and involve risks and uncertainties. Knobias receives compensation in the amount of \$500 for research sponsorship and \$750 for CEO Interviews. Knobias assumes no obligation to update any of the forward-looking statements in this release.
